

We are short of staff so badly!

No need to manage a recreation area!
Games start automatically!

Well...

I've got it!

You can enjoy it while waiting or when you have a customers!

※ Games also can be started by PC operating

Very easy to use!

TANO

Play using your voice!
Move your body!
A lot of brain games!

TANO is a solution for these PROBLEMS!

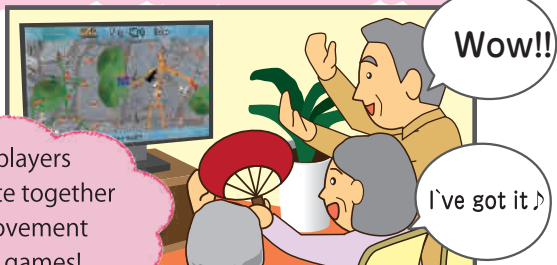

Exercise time should be more fun!

Some people are so reluctant to do exercises. What can make them more active?...

You can enjoy the nature or simple exercises while you sitting on a chair!

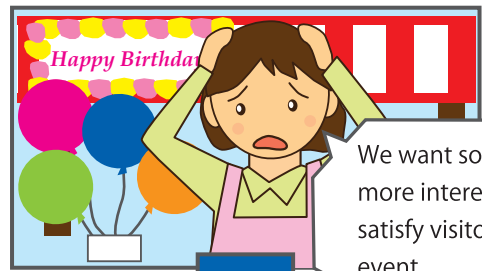

Wow!!

I've got it!

Multiple players can participate together in body movement and voice games!

Need to make events more happy!

We want something more interesting to satisfy visitors the next event...

Our newest recreational games will allure more people!

Big one!

Go for it!

Rules are so simple!
Children and elderly people can easily play it!
