

We are short of staff so badly!

No need to manage a recreation area!
Games start automatically!

Well...

You can enjoy it while waiting or when you have a customers!

* Games also can be started by PC operating

Very easy to use!

TANO

TANO is a solution for these PROBLEMS!

The recreation area has no new ideas!

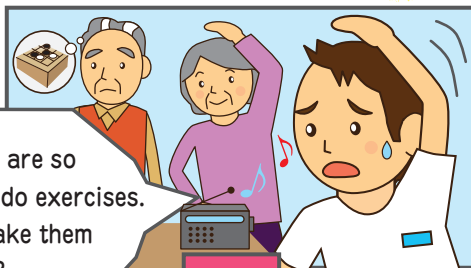

Anyone can easily enjoy more than 40 kinds of varied programs

Play using your voice!
Move your body!
A lot of brain games!

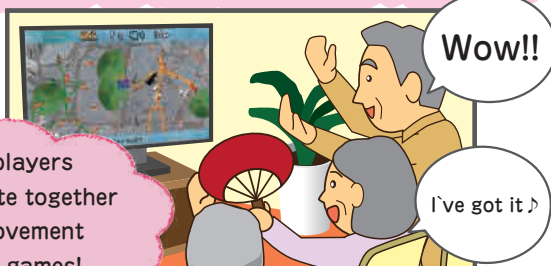

Exercise time should be more fun!

Some people are so reluctant to do exercises. What can make them more active?...

You can enjoy the nature or simple exercises while you sitting on a chair!

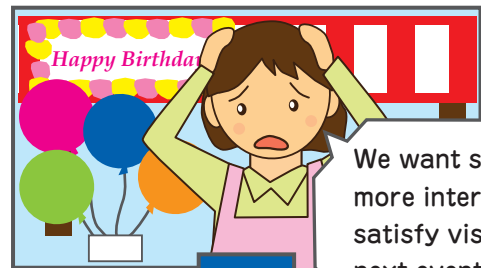

Multiple players can participate together in body movement and voice games!

I've got it!

Need to make events more happy!

We want something more interesting to satisfy visitors the next event...

Our newest recreational games will allure more people!

Go for it!

Rules are so simple!
Children and elderly people can easily play it!
